

BEAVER WATERSHED ALLIANCE

Protecting and restoring Beaver Lake, our regional drinking water source!

Glade Workshop

Ozarks Glade, Ecology, & Management Field Day

Wednesday, May 24th | 10 am - 12 pm

Steven F. Foster Educational Glade; Lake Leatherwood City Park, Eureka Springs
1303 Co Rd 204, Eureka Springs, AR 72632, 36.434453, -93.759812 (Main Building).

Speakers:

Nate Weston, *Alliance Senior Geospatial Ecologist*
Brittney Booth, *Botanist, Ecologist, NWA Glade Expert*
Eric Fuselier, *Environmental Scientist, Olsson Engineering*

Join the Alliance for a walk-and-talk tour of a glade to discuss ecology & management activities related to glades.

Learn how to effectively manage glades to prevent habitat loss, save habitat for threatened wildlife, and more!

Photo: Flowers blooming in a dolomite glade. The Beaver Lake watershed is home to over 11,000 glades, many of which are smaller than an acre in size but possess some of the most biodiverse plant communities in North America.
