Smart Growth

for Source Water Protection

A public forum series focused on growth and water resources in NWA

Forum #1 : What do we want for our community?

Creating a shared vision and taking action on our Smart Growth goals.

APRIL 27

11:30 AM - 1:30 PM

Northwest AR Regional Planning
Springdale

Question: What is the biggest goal that you personally want to achieve related to bringing Smart Growth to our region?

Lunch will be provided. RSVP to info@beaverwatershedalliance.org or call 479-750-8007

Certificate of completion will be available

Special thanks to the following:
