# Smart Growth

## for Source Water Protection

A public forum series focused on growth and water resources in NWA

### **Forum #2 : What do we need to know?**

What tools are available? What examples exist? Moving closer to achieving our goals in Smart Growth.

---

### **MAY 18**

11:30 AM - 1:30 PM

Rogers-Lowell Chamber of Commerce,  
Rogers

Question: What is the biggest goal that you personally want to achieve related to bringing Smart Growth to our region?

*Lunch will be provided. RSVP to [info@beaverwatershedalliance.org](mailto:info@beaverwatershedalliance.org) or call 479-750-8007*

**Certificate of completion will be available**

*Special thanks to the following:*
