Smart Growth

for Source Water Protection

A public forum series focused on growth and water resources in NWA

Forum #4 : What's going on now? Exploring the current system to know where to take action on planning and zoning codes for Smart Growth in the region.

JULY 13

11:30 AM - 1:30 PM

Fayetteville Public Library - Zeigler Rm
Fayetteville

Question: What is the biggest goal that you personally want to achieve related to bringing Smart Growth to our region?

Lunch will be provided. RSVP to info@beaverwatershedalliance.org or call 479-750-8007

Certificate of completion will be available

Special thanks to the following:
